

## **EMS Satellite License Renewal Update**

**Updated 2.27.2018**

As part of an update to the EMS rules, the Board has removed fee waivers for EMS satellite locations (see [rule 4729:5-14-02](#) and the rescission of [rule 4729-33-02](#)). The proposed effective date of this rule was to occur during the 2018 terminal distributor renewal cycle.

Please be advised that the Board has postponed the implementation of this rule change until April 2, 2018. This means that the fee waiver for EMS satellite licenses **will be** effective for the 2018 terminal distributor renewal cycle.

Effective February 26, 2018, renewal applications for satellite locations should indicate a fee of zero dollars.

Those who have already renewed an EMS satellite license may request a refund by submitting a request (please include name of organization, address of the licensed location, license number and a contact name and phone number) to [licensing@pharmacy.ohio.gov](mailto:licensing@pharmacy.ohio.gov). Refund requests will be honored until April 2, 2018. Refunds may take up to six weeks to process.

**IMPORTANT: Effective April 2, 2018, an application for a new satellite location will be assessed a fee and all future renewals of EMS satellite licenses will also incur a renewal fee.**
