FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witness, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

(1) Records of the Board of Pharmacy indicate that on or about August 19, 2012, Mark Schroer, M.D. was the responsible person for Any Lab Test Now, located at, 1104 Kemper Meadow Dr., Cincinnati, Ohio 45240 and that on said date, Any Lab Test Now submitted an application for registration as a Terminal Distributor of Dangerous Drugs.

(2) Any Lab Test Now does not meet the security qualifications of a licensed Terminal Distributor of Dangerous Drugs, to wit: despite a written warning issued on 8/15/2012 for unlicensed staff having access to dangerous drugs Any Lab Test Now continued the practice of allowing an unsupervised medical assistant to administer dangerous drugs without the direct supervision of a physician, to wit: cyanocobalamin injection (B-12). Owner John Schroer told Ohio State Board of Pharmacy Investigators on 9/21/2012 that he believed that unlicensed medical assistants were under supervision though the physician was physically located in Kentucky.

(3) Any Lab Test Now does not have a physician who can meet the "supervision and control" qualification to be a Responsible Person, to wit: physician Mark Schroer does not practice medicine at 1104 Kemper Meadow Drive, Cincinnati, Ohio. Instead, his medical practice is in Northern Kentucky. On or around 2012 to 2013, Dr. Keevin Davis was the only physician who practices regularly at Any Lab Test Now, and he was only at Any Lab Test Now for two hours per week.

(4) Any Lab Test Now does not store dangerous drugs in a manner to insure the integrity of the drugs prior to use, to wit: B-12 injections (cyanocobalamin) were observed at Any Lab Test Now by Ohio State Board of Pharmacy Investigators in a refrigerator when the manufacturer's label instructed storage at room temperature. In fact, when Board Investigators went to a commonly owned Any Lab Test Now location, all dangerous drugs, including B-12 injections, were stored in the refrigerator. Board Investigators discovered a refrigerator log for January 2012 that recorded the temperature as 20-22 degrees. Board Investigators also discovered an expired influenza vaccine at Any Lab Test Now. In a written warning response received on 9/26/2012, owner John Schehr responded by providing a fax from someone that stated, "Pharmacist said it needs to go in the Refig.[sic] after opened. But package instructions just say Room Temp."

DECISION OF THE BOARD

Pursuant to Sections 3719.03, 4729.55 and 4729.52 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy hereby refuses to license or register Any Lab Test Now and, therefore, denies the Application for a Terminal Distributor of Dangerous Drugs submitted by Any Lab Test Now on August 19, 2012.

The Consent Agreement resulted from Dr. Lefkovitz’s failure to timely submit acceptable documentation to the Medical Board of CME credits earned for the July 1, 1994 – June 30, 1996 biennial acquisition period. Consent Agreement Between Norman W. Lefkovitz, M.D. and The State Medical Board of Ohio, August 12, 1998. FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witness, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

(1) Records of the State Board of Pharmacy indicate that Steven Sheldon Goodman was originally licensed in the State of Ohio on August 16, 1966, pursuant to examination, and is currently licensed to practice pharmacy in the State of Ohio.

(2) Steven Sheldon Goodman did, on or about January 27, 2013, permanently surrender his license to practice pharmacy in the state of Florida. This permanent surrender of his license followed an administrative charge stemming from a connected criminal action and effectively ended all further administrative proceedings against his license to practice pharmacy. As a result of this permanent surrender, Steven Sheldon Goodman agreed to cease practicing pharmacy immediately and to never reapply for licensure as a pharmacist in the State of Florida. Florida Department of Health v. Steven S. Goodman, R.Ph., DOH Case Nos. 2011-1518 & 2011-15217. Such discipline, if proven, constitutes being guilty of gross immorality and/or guilty of dishonesty or

unprofessional conduct in the practice of pharmacy within the meaning of Section 4729.16 of the Ohio Revised Code.

(3) Steven Sheldon Goodman did, on or about April 30, 2012, plead guilty to one count of conspiracy to defraud the United States Government, a felony. The means and manner of this conspiracy concerned his failure to design and operate a legally adequate system to discover suspicious orders of controlled substances, as required by federal law. Steven Sheldon Goodman further received an order for and delivered schedule II controlled substances, when such order should have been reported to the DEA as a suspicious order. As a result of his guilty plea, he was sentenced to four (4) years of probation, thirty (30) months of home detention with electronic monitoring, fined \$25,000, ordered to surrender his professional license, and given other terms and restrictions. United States of America v. Steven Goodman, United States District Court no. 10-80159-CR-MARRA/HOPKINS(S)(S). Such plea, if proven, constitutes being guilty of a felony or gross immorality and/or guilty of dishonesty or unprofessional conduct in the practice of pharmacy within the meaning of Section 4729.16 of the Ohio Revised Code.

CONCLUSIONS OF LAW

(1) The State Board of Pharmacy concludes that paragraphs (2) and (3) of the Findings of Fact constitute being guilty of a felony and gross immorality as provided in Division (A)(1) of Section 4729.16 of the Ohio Revised Code.

(2) The State Board of Pharmacy concludes that paragraphs (2) and (3) of the Findings of Fact constitute being guilty of dishonesty and unprofessional conduct in the practice of pharmacy as provided in Division (A)(2) of Section 4729.16 of the Ohio Revised Code.

(3) Further, as a result of the evidence and testimony presented, the State Board of Pharmacy concludes that paragraphs (2) and (3) of the Findings of Fact constitute being guilty of willfully violating, conspiring to violate, attempting to violate, or aiding and abetting the violation of provisions of Section 3715.52 or Chapter 2925., 3719., or 4729. of the Revised Code as provided in Division (A)(5) of Section 4729.16 of the Ohio Revised Code.

DECISION OF THE BOARD

FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witness, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

(1) Edward Thomas Olszewski is a registered pharmacist in the state of Alabama, and on or about September 30, 2013 applied for reciprocal registration into the State of Ohio.

(2) Edward Thomas Olszewski did, on or about October 17, 2000, plead guilty to a federal felony drug offense in the State of Alabama, to wit: on his NABP Application for Transfer of Pharmacist License to the State of Ohio, which was received by the Ohio State Board of Pharmacy on or about September 30, 2013, Edward Thomas Olszewski indicated that he was charged and convicted of a federal drug offense in 2000. The conviction he referenced was for one count of Possession with Intent to Distribute Hydrocodone in violation of 21 U.S.C. 841(a)(1). United States of America v. Edward Thomas Olszewski Jr., Case. No. 2:00 CR00116-001, (M.D. Ala. Jan. 26, 2001). According to a letter Edward Thomas Olszewski sent to the Ohio State Board of Pharmacy dated October 7, 2013, the basis for the above-cited conviction stems from his addiction to opiates and benzodiazepines around 1998 when he worked at a Winn-Dixie Supermarket Pharmacy. Edward Thomas Olszewski admits in his letter that he created fraudulent prescriptions for Lorcet Plus and phentermine for a person he thought was a

friend. Edward Thomas Olszewski was sentenced to 6 months house arrest, and 3 years of probation, which was terminated after 2 years for good behavior.

(3) Edward Thomas Olszewski did, on or about August 1999, voluntarily surrender his Alabama pharmacist's license, to wit: He admitted on his NABP Application for Transfer of Pharmacist License to the State of Ohio that he voluntarily surrendered his license to practice pharmacy in the State of Alabama in August of 1999. In his follow up letter dated October 7, 2013, Edward Thomas Olszewski admits, to the Ohio State Board of Pharmacy, that he surrendered his Alabama pharmacist's license after entering into drug rehabilitation treatment for healthcare professionals from August 31, 1999, through December 1, 1999, prior to being brought up in federal court for Possession with Intent to Distribute Hydrocodone.

(4) Edward Thomas Olszewski's pharmacist license has been subject to disciplinary action in the State of Alabama, to wit: He admitted on his NABP Application for Transfer of Pharmacist License to the State of Ohio that his Alabama pharmacist's license was suspended in 1999 by the Alabama State Board of Pharmacy based on his federal felony conviction for a drug offense. In his follow up letter dated October 7, 2013, he admits to the Ohio State Board of Pharmacy that his Alabama pharmacist's license was under suspension and probation with the Alabama State Board of Pharmacy from December 8, 1999 through March 3, 2009. On or about February 25, 2004, the Alabama State Board of Pharmacy issued a Final Order regarding his Alabama pharmacist's license. In the Matter of Edward Thomas Olszewski, Jr., Before the Alabama State Board of Pharmacy, Final Order. The Order cited herein, paragraph 3 under "Findings of Fact," references the Board's February 29, 2000, Final Order that suspended his pharmacist's license for a period of 5 years among other things. The Order of February 25, 2004, indicates that the suspension of his pharmacist's license was reverted to probation for a period of 5 years from the date of the Order, and that he was ordered to enter into a written 5 year monitoring program with the Board through its Impaired Pharmacist Program Administrator with conditions specified in the Order and said monitoring contract was to be made part of the Order.

SETTLEMENT AGREEMENT WITH THE STATE BOARD OF PHARMACY
(Case No.2013-1734)

In The Matter Of:

Justin Edward Campbell, PharmD

3704 Hyde Park Avenue
Cincinnati, Ohio 45209
(R.Ph. No. 03-3-31029)

This Settlement Agreement is entered into by and between Justin Edward Campbell and the Ohio State Board of Pharmacy, a state agency charged with enforcing the Pharmacy Practice Act and Dangerous Drug Distribution Act, Chapter 4729. of the Ohio Revised Code.

Justin Edward Campbell voluntarily enters into this Agreement being fully informed of his rights afforded under Chapter 119. of the Ohio Revised Code, including the right to representation by counsel, the right to a formal adjudication hearing on the issues contained herein, and the right to appeal. Justin Edward Campbell acknowledges that by entering into this Agreement he has waived his rights under Chapter 119. of the Ohio Revised Code.

Whereas, the Board is empowered by Section 4729.16 of the Ohio Revised Code to suspend, revoke, limit, place on probation, refuse to grant or renew an identification card or enforce a monetary penalty on the license holder for violation of any of the enumerated grounds therein.

Whereas, Justin Edward Campbell is licensed to practice pharmacy in the State of Ohio.

Whereas, on or about September 17, 2014, pursuant to Chapter 119. of the Ohio Revised Code, Justin Edward Campbell was notified of the allegations or charges against him, his right to a hearing, his rights in such hearing, and his right to submit contentions in writing. Justin Edward Campbell requested a hearing; it was scheduled and continued. The September 17, 2014, Notice of Opportunity for Hearing contains the following allegations or charges:

(1) Records of the State Board of Pharmacy indicate that Justin Edward Campbell was originally licensed in the State of Ohio on July 14, 2011, pursuant to examination, and is currently licensed to practice pharmacy in the State of Ohio.

(2) Justin Edward Campbell did, on or about July 23, 2013, misbrand a drug, to wit: when he received a prescription for Lithium ER 300mg tablets, Rx# 06034800, with instructions to take 1 tablet in the morning and 2 tablets in the evening, he failed to perform data entry verification and catch an error that caused nine tablets per day to be dispensed, which had not been specifically prescribed by the physician. Thus, rather

than ingesting the prescribed dose of three tablets per day, the patient ingested one dose of eight tablets. The patient, a group home resident, went home with her family on a pass, and ingested eight tablets of the medication, and was subsequently harmed. Specifically, after ingesting the nine tablets of medication, the patient's family noticed that she was not being her normal self. The patient had to be taken to the hospital and admitted for observation.

(3) Justin Edward Campbell did, on or about August 2, 2013, fail to perform a proper prospective drug utilization review, to wit: when he received a prescription for Lithium ER 300mg tablets, Rx# 06034800, with instructions to take 1 tablet in the morning and 2 tablets in the evening, he dispensed Lithium ER 300mg tablets at a quantity that totaled nine tablets per day, which had not been specifically prescribed by the physician. Specifically, when checking the Parata package for RX# 06034800 Justin Edward Campbell failed to identify 2700 mg of Lithium ER per day was packaged rather than 900 mg of Lithium ER. The patient ingested the evening dose containing 2400 mg of Lithium ER and was subsequently harmed. After ingesting the nine tablets of medication, the patient's family noticed that she was not being her normal self. The patient had to be taken to the hospital and admitted for observation.

Justin Edward Campbell neither admits nor denies the allegations stated in the Notice of Opportunity for Hearing letter dated September 17, 2014; however, the Board has evidence sufficient to sustain the allegations and hereby adjudicates the same.

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of a formal hearing at this time, Justin Edward Campbell knowingly and voluntarily agrees with the State Board of Pharmacy to the following:

(A) Justin Edward Campbell agrees to the imposition of a monetary penalty of five hundred dollars (\$500.00) due and owing within 30 days from the effective date of this Agreement. Checks should be made payable to the "Treasurer, State of Ohio" and mailed with the enclosed forms to the State Board of Pharmacy, 77 South High Street, Room 1702, Columbus, Ohio 43215-6126.

(B) In addition, Justin Edward Campbell must obtain, within 90 days from the effective date of this Agreement, six hours of approved continuing pharmacy education (0.6 CEUs), which may not also be used for license renewal.

If, in the judgment of the Board, Justin Edward Campbell appears to have violated or breached any terms or conditions of this Agreement, the Ohio State Board of Pharmacy reserves the right to, at any time, institute formal disciplinary proceedings for any and all possible violations or breaches, including but not limited to, alleged violation of the laws of Ohio occurring before the effective date of this Agreement.

Justin Edward Campbell acknowledges that he has had an opportunity to ask questions concerning the terms of this Agreement and that all questions asked have been

answered in a satisfactory manner. Any action initiated by the Board based on alleged violation of this Agreement shall comply with the Administrative Procedure Act, Chapter 119. of the Ohio Revised Code.

Justin Edward Campbell waives any and all claims or causes of action he may have against the State of Ohio or the Board, and members, officers, employees, and/or agents of either, arising out of matters which are the subject of this Agreement. Justin Edward Campbell waives any rights of appeal pursuant to Chapter 119. of the Ohio Revised Code.
