Pharmacist CE group reporting dates:

| RPH License number starts with: | Reporting Year | Reporting Year | Reporting Year |
|---------------------------------|----------------|----------------|----------------|
| 03-1 | | 2010 | 2013 |
| 03-2 | 2008 | 2011 | 2014 |
| 03-3 | 2009 | 2012 | 2015 |

Pursuant to Rule 4729-7-02(A) of the Administrative Code, pharmacists must provide evidence of six CEUs (60 hours) of approved continuing education every three years by the date indicated on the continuing pharmacy education report form. At least 0.3 CEUs (3 hours) of the total required must be Ohio Board of Pharmacy approved programs in jurisprudence. A continuing education unit (CEU) is ten contact hours of participation in an organized continuing pharmacy education experience.

Pursuant to 4729-7-02(F) of the Administrative Code, an Ohio registered pharmacist who holds a current license in another state where continuing education is mandatory, has met the continuing education requirements of that state, and who does not practice pharmacy in Ohio, may renew their identification card by submitting their continuing education report form with the required waiver statement completed. This statement is:

"I declare under penalties of falsification that I hold a current and valid pharmacist license, number *(insert license number)*, in the state of *(insert name of state)*, that I have met the continuing pharmacy education requirements of this state and I do not presently practice pharmacy in the state of Ohio. I hereby agree to immediately notify the Ohio state board of pharmacy if I return and commence the practice of pharmacy in the state of Ohio."

Pursuant to 4729-7-08 of the Administrative Code, a pharmacist may satisfy the requirements by providing evidence that the pharmacist has met the requirements of and is currently certified by a Board approved pharmacy practice specific specialty certification program. The pharmacy practice specific specialty certification program shall require periodic recertification examinations and provide documentation that the pharmacist is currently certified by the program. The pharmacist with an approved pharmacy practice specific specialty certification must also provide evidence of having completed at least 0.3 CEUs of Ohio Board of Pharmacy approved pharmacy jurisprudence programs.
