ORDER

Findings Of Fact

- (1) From the evidence presented, the State Board of Pharmacy finds that Riverside Methodist Hospital, 3535 Olentangy River Road, Columbus, Ohio 43214, did permit Lisa Ellen Farnett, a person who was not an Ohio Registered Pharmacist or a Pharmacy Intern under the personal supervision of a registered pharmacist to compound and dispense dangerous drugs between the dates of July 1, 1985 and April 29, 1986.
- (2) From the evidence and testimony received, the State Board of Pharmacy finds that:
 - (a) Riverside Methodist Hospital did have a procedure in place to prevent any employee from practicing pharmacy without a license,
 - (b) Due to failure of the existing system in preventing a violation of this nature, the system has been revised to prevent future violations.
- (3) The State Board of Pharmacy takes notice that Division (B) of Ohio Revised Code Section 4729.25 provides that the Board may issue a notice or warning if the public interest is adequately served.

Conclusion Of Law

- (1) Upon consideration of the record as a whole, the State Board of Pharmacy concludes that Riverside Methodist Hospital did violate section 4729.28 of the Ohio Revised Code.

Pursuant to Sections 4729.25 and 4729.57 of the Ohio Revised Code, and the foregoing Findings of Fact and Conclusion of Law, the State Board of Pharmacy hereby issues written notice that future violations of this nature shall result in more severe sanctions being levied by the Board.
