FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

- (1) Records of the Board of Pharmacy indicate that Thomas Jefferson Hutton submitted an application for examination as a pharmacist on or about September 29, 2006. Records further indicate that Thomas Jefferson Hutton was originally licensed by the State of Ohio as a Pharmacist on November 13, 1974, pursuant to Reciprocity.

THOMAS JEFFERSON HUTTON

Page 3

Order of the Board

- (2) On March 13, 1997, Thomas Jefferson Hutton's license to practice pharmacy in the State of Ohio was revoked. The Board concluded that Thomas Jefferson Hutton was guilty of dishonesty and unprofessional conduct in the practice of pharmacy and guilty of willfully violating, conspiring to violate, attempting to violate, or aiding and abetting the violation of provisions of Sections 3715.52 to 3715.72 or Chapter 2925., or 3719. of the Ohio Revised.

CONCLUSIONS OF LAW

- (1) The State Board of Pharmacy concludes that paragraph (2) of the Findings of Fact constitutes being guilty of dishonesty and unprofessional conduct in the practice of pharmacy as provided in Division (A)(2) of Section 4729.16 of the Ohio Revised Code.
- (2) The State Board of Pharmacy concludes that paragraph (2) of the Findings of Fact constitutes being guilty of willfully violating, conspiring to violate, attempting to violate, or aiding and abetting the violation of provisions of Chapter 2925. of the Revised Code as provided in Division (A)(5) of Section 4729.16 of the Ohio Revised Code.

DECISION OF THE BOARD

This is a de novo review of an application to take the exam. It is not an appeal or review of a revocation decision rendered 13 years ago as Thomas Jefferson Hutton's counsel suggested in his opening statement. Section 4729.08 of the Ohio Revised Code sets forth the qualifications Thomas Jefferson Hutton must meet to be a pharmacist. This statute is amplified by Rule 4729-5-04 of the Ohio Administrative Code. Clearly, Thomas Jefferson Hutton must be "of good moral character and habits." Further, the Board may consider as evidence that a person is not "of good moral character and habits" if a person has been disciplined by the Board. It is unrefuted that the respondent has been so disciplined. It is, at this time, immaterial that a criminal case brought by the State of Ohio was ultimately dismissed. It is also immaterial that Thomas Jefferson Hutton was exonerated criminally. It is axiomatic that criminal courts hold the state to a different standard, or burden of proof than what is pertinent to the present proceedings. Criminal courts do not measure directly, as this Board must, one's fitness to practice pharmacy.

In 1993, the Board disciplined Thomas Jefferson Hutton with the most severe sanction: revocation. The Board here finds that this fact is indeed evidence that Thomas Jefferson Hutton is not of good moral character and habits. The prior board order was not appealed or overturned. It stands. The evidence presented now taken as a whole, does not outweigh the evidence, again, taken as a whole, that Thomas Jefferson Hutton is not of good moral character and habits.

Pursuant to Sections 4729.08 and 4729.16 of the Ohio Revised Code and Rule 4729-5-04 of the Ohio Administrative Code, and on the basis of the foregoing Findings of Fact and Conclusions of Law, the State Board of Pharmacy hereby denies the issuance of a certificate of registration or an identification card to practice as a pharmacist in Ohio and, therefore, denies the Application for Examination As a Pharmacist submitted by Thomas Jefferson Hutton on or about September 29, 2006.
