FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witness, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

(1) Records of the State Board of Pharmacy indicate that Jennifer L. Linville was originally licensed by the State of Ohio as a pharmacist on July 29, 1991, pursuant to examination, and is currently licensed to practice pharmacy in Ohio.

(2) Jennifer L. Linville did, on or about August 8, 2002, intentionally create and/or knowingly possess a false or forged prescription, to wit: Jennifer L. Linville created Rx #348228 for 30 unit doses of Ibuprofen 800 mg, with eleven refills, without authorization from a prescriber. The prescription was created for a technician at Marc's Pharmacy so as to save the technician money by using the pharmacy's employee discount on prescription medicine. Such conduct is in violation of Section 2925.23 of the Ohio Revised Code.

(3) Jennifer L. Linville did, on or about August 8, 2000, sell at retail a dangerous drug when the conduct was not in accordance with Chapters 4729. and 4731. of the Ohio Revised Code, to wit: Jennifer L. Linville sold 30 unit doses of Ibuprofen 800 mg, Rx #348228, to a technician at Marc's Pharmacy without a valid prescription. Such conduct is in violation of Section 4729.51(C) of the Ohio Revised Code.

(4) Jennifer L. Linville did, on or about January 29, 2003, knowing that an official investigation was in process or was likely to be instituted, conceal or remove a record of a prescription with purpose to impair its value or availability as evidence in such investigation, to wit: Jennifer L. Linville deleted the record of Rx #122289 just hours before an interview with a Board agent investigating her activities. Jennifer L. Linville had created this prescription for 30 units of cyclobenzaprine 10 mg without authorization from a prescriber. Such conduct is in violation of Section 2921.12 of the Ohio Revised Code.

(5) Jennifer L. Linville did, on or about July 28, 2001, intentionally create and/or knowingly possess a false or forged prescription, to wit: Jennifer L. Linville created Rx #C303899 for 15 unit doses of hydrocodone with APAP 7.5 mg/750 mg, with the face of the prescription indicating that it was a transfer from CVS in North Ridgeville, Ohio. However, Jennifer L. Linville did not have prescription records at that pharmacy. Such conduct is in violation of Section 2925.23 of the Ohio Revised Code.

(6) Jennifer L. Linville did, on or about November 7, 1999, intentionally create and/or knowingly possess a false or forged prescription, to wit: Jennifer L. Linville created Rx #270723, with 2 refills, for 30 unit doses of Prozac 10 mg, with the face of the prescription indicating that it was for a canine named "Kodiac." The label further read: "Take one tablet as needed to control aggression against little brother." Jennifer L. Linville indicated to a Board agent that she did this as a joke. The prescriber indicated he did not authorize the prescription. Such conduct is in violation of Section 2925.23 of the Ohio Revised Code.

(7) Jennifer L. Linville did, on or about November 7, 1999, intentionally create and/or knowingly possess a false or forged prescription, to wit: Jennifer L. Linville created Rx #270724, with 2 refills, for 6 unit doses of Viagra 100 mg, with the face of the prescription indicating that it was for a canine named "Yukon." The label further read:

"Chew one as directed as needed for frolic with Fraulein." Jennifer L. Linville indicated to a Board agent that she did this as a joke. The prescriber indicated he did not authorize the prescription. Such conduct is in violation of Section 2925.23 of the Ohio Revised Code.
