Findings Of Fact

- (1) From the evidence presented, the State Board of Pharmacy finds that records of the Board indicate that Walter S. Ritzman was originally licensed in the state of Ohio on August 4, 1953, pursuant to examination, and is the owner and responsible pharmacist at Ritzman Pharmacy, 113 Fifth St. S.E., Barberton, Ohio 44203, pursuant to Sections 4729.27 and 4729.55 of the Ohio Revised Code and Rule 4729-5-11 of the Ohio Administrative Code.

- (2) From the evidence presented, the State Board of Pharmacy finds that Walter S. Ritzman or a pharmacist under his control did, between January 7, 1987 and January 30, 1989, knowingly sell a controlled substance in an amount less than the bulk amount when the conduct was not in accordance with Chapters 3719. and 4729. of the Revised Code, to wit: after having partially filled the following fifty-two prescriptions for Schedule II controlled substances, Walter S. Ritzman supplied the remaining quantities after the expiration of seventy-two hours without having a new prescription as required by Section 1306.13(a) of the Code of Federal Regulations, thus selling Schedule II controlled substances without having valid prescriptions:
