A license can be suspended during monthly Board business or via a telephone conference call pursuant to relevant statutory authority.

To obtain a copy of the Summary Suspension/Notice of Opportunity for Hearing, please visit the state's eLicense website at <https://elicense.ohio.gov>. From there, enter either the first and last name, business name, or license number on the "Verify a License" page and select search.

Once the correct person/entity is selected, click "Yes" under the "Board Action" header. There will be a link to view the Summary Suspension/Notice of Opportunity for Hearing documentation. This is the only publicly available document until the conclusion of the administrative process; pursuant to ORC Sections 4729.23 and 149.43(A)(1)(h) all Board of Pharmacy investigations are confidential. After the conclusion of the administrative hearing process, the Board's Order will also be publicly available on the eLicense site by following the above instructions.
