FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the Board finds the following to be fact:

1. On or about May 20, 2020, Kenneth Smith was seen on video surveillance ingesting an unknown tablet from an unlabeled vial at Discount Drug Mart, located at 17815 Puritas Avenue, Cleveland, Ohio, where he was employed as a pharmacist. The vial was found to contain ibuprofen 600mg tablets, a dangerous drug, and stored with his personal belongings at the pharmacy. Mr. Smith does not have a prescription for ibuprofen 600mg.

2. It was discovered Kenneth Smith had been filling phone-in prescriptions for himself for Ramipril 5mg, a dangerous drug, since August 2019. There was no image of the phone-in prescription for all but one of the prescriptions. The prescribing doctor was listed as Dr. Gerald Burma, however, Dr. Burma did not call-in the following prescriptions for Mr. Smith:
   a. Rx# 1131141 for Ramipril 5mg #120, no refills, entered and verified on August 30, 2019
   b. Rx# 1134468 for Ramipril 5mg #120, no refills, entered and verified on September 28, 2019
   c. Rx# 1137366 for Ramipril 5mg #120, no refills, entered and verified on October 22, 2019
   d. Rx# 1140928 for Ramipril 5mg #120, no refills, entered and verified on November 19, 2019
   e. Rx# 1144381 for Ramipril 5mg #120, 5 refills, entered and verified on December 17, 2019
   f. Rx# 1165795 for Ramipril 5mg #136, entered and filled on May 22, 2020

3. On or about June 2, 2020 Kenneth Smith was interviewed by a Discount Drug Mart staff member and an agent from the Board. Mr. Smith made the following statements:
   a. He takes Xanax (alprazolam) occasionally. He’s been stealing Xanax for about six months. He stole up to 20 doses.
   b. He stole about 25 does of ibuprofen 600mg. This started about three weeks ago.
c. He does not have a prescription for Xanax. He thinks he has “an alcohol dependency problem as well. But not with the Xanax.”

d. When asked if he would consider his alcohol problem an addiction, he replied “I think so.”

e. He created fraudulent prescriptions for Ramipril (on the dates listed above) without authorization from his doctor. The December prescription had five refills and the May prescription was for a quantity of 136 because it was for a 34-day supply that would be covered by insurance.

f. One day he forgot his Ramipril at home and took two to four capsules from the stock bottle at work.

DECISION OF THE BOARD

Pursuant to Section 3719.121 of the Ohio Revised Code, the State Board of Pharmacy hereby removes the Summary Suspension Order issued to Kenneth Smith on June 5, 2020.

Pursuant to Section 4729.16 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy hereby suspends indefinitely the pharmacist license no. 03-215433, held by Kenneth Smith, and such suspension is effective as of the date of the mailing of this Order.

Kenneth Smith, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

Further, after twelve months from the date of this Order, the Board will consider any petition filed by Kenneth Smith for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the license to practice pharmacy in Ohio if the following conditions have been met:

1. Kenneth Smith must enter into and adhere to the terms of a contract, signed within thirty days after the effective date of this Order, with a Board approved treatment monitor for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. Kenneth Smith should also submit to the Board documentation demonstrating compliance with an Ohio Department of Mental Health and Addiction Services (ODMHAS) treatment provider, if applicable. Failure to adhere to
the terms of the treatment contract and/or monitoring contract will be considered a violation of the Board’s Order and subject Kenneth Smith to potential sanctions up to and including revocation of license. The monitoring contract must provide that:

a. Random, observed urine drug screens shall be conducted at least once each month.

b. The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

c. Alcohol and Ethyl Glucoronide (ETG) must be added to the standard urine drug screen.

d. Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of the Kenneth Smith in a timeframe consistent with the drug lab’s recommended policy, but in any event no later than 12 days after the negative diluted screen.

f. The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

g. Attendance is required a minimum of three times per calendar week (Sunday through Saturday) on separate days, at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

h. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

2. Kenneth Smith shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract with ODMHAS, the Board shall treat these results as a violation of the Board’s Order and request Kenneth Smith reappear before the Board for possible additional sanctions, including and up to revocation of license.

3. Kenneth Smith shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of probation. The Board shall treat any such refusal as a violation of the Board’s Order and request Kenneth Smith reappear before the Board for possible additional sanctions, including and up to revocation of license.
4. Kenneth Smith must immediately report any violation of the terms of this suspension to the Board by contacting legal@pharmacy.ohio.gov. Failure to self-report any violation shall be treated as a violation of this Board’s Order and will subject Kenneth Smith to possible additional sanctions, including and up to revocation of license.

5. Kenneth Smith must demonstrate satisfactory proof to the Board that he is no longer addicted to or abusing alcohol or drugs or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy.

6. Kenneth Smith must provide, in the reinstatement petition, documentation of the following:
   a. Compliance with the contract required above (e.g. proof of giving the sample within twelve hours of notification and copies of all drug and alcohol screen reports, meeting attendance records, treatment program reports, etc.);
   b. Compliance with the continuing pharmacy education requirements set forth in Chapter 4729:1-5 of the Ohio Administrative Code as applicable and in effect on the date of petitioning the Board for reinstatement;
   c. Compliance with the terms of this Order.

7. Violation of any term of suspension, including but not limited to any violation of the contract signed with the ODMHAS or other approved treatment provider may result in additional action before the Board up to and including revocation of Kenneth Smith’s pharmacy intern license.

8. Any violation of Chapters 2925., 3715., 3719., 4729., of the Ohio Revised Code, any administrative code violation or a violation of any other state or federal law will be considered a violation of this Order resulting in a hearing before the Board and may also result in criminal and/or administrative charges.

9. If Kenneth Smith’s employment is related to the practice of pharmacy, Kenneth Smith must notify employer of the terms of Kenneth Smith’s suspension and this Board’s Order.

10. Failure to complete the terms set forth in this Board’s Order, or to petition for reinstatement within five years of the date of this Order, will result in the Board issuing a notice of opportunity for hearing to consider additional disciplinary action, including and up to revocation of Kenneth Smith’s license.

FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the Board finds the following to be fact:

1. On or about June 17, 2019, a fraudulent prescription written for Lindsey Miller for “Adderall XR 30 mg #60” was found in the Automated Recordkeeping System (ARKS) at Spring Valley Family Pharmacy, located at 448 Jackson Pike, Gallipolis, Ohio, where Ms. Miller was employed. The original hard copy of the fraudulent prescription shows the “XR” and “#60” had been crossed out and changed to 90 tablets of Adderall 30 mg. The prescription appeared to be written by Dr. Wagner.

2. On or about June 17, 2019, a fraudulent prescription written for Lindsey Miller for Adipex, issued on June 20, 2018, was found in ARKS. The prescription was a computer-generated image created from entered data. The original prescription was not scanned into ARKS and there was no record found in the prescription file records for the assigned prescription number. The assigned prescription number was the only prescription number not located within the prescription file.

3. On or about June 17, 2019 Lindsey Miller was interviewed by agents from the Board regarding her employment at Spring Valley Family Pharmacy. Lindsey Miller made the following statements, which the Board also finds to be fact:

   a. Lindsey Miller worked for Spring Valley Family Pharmacy since August or September 2018.

   b. When questioned about the fraudulent prescription for Adderall, Lindsey Miller admitted she had never been seen as a patient by Dr. Wagner, however, she requested a prescription through a friend that worked for Dr. Wagner. Dr. Wagner’s employee brought a signed, blank prescription that only contained the date and Dr. Wagner’s signature. Dr. Wagner was unaware of the prescription. Lindsey Miller fraudulently wrote her name, address, and “Adderall XR 30 mg, #60”. Lindsey Miller later changed her mind and crossed out the “XR”. Lindsey Miller also requested that the pharmacist change the prescription quantity from “#60” to “#90” so the final prescription read “Adderall 30 mg tabs, #90”.

   c. Lindsey Miller had Sherry Russell, FNP, call-in a prescription for Adipex. Lindsey Miller was never physically seen as a patient by her; she asked her for the Adipex prescription through a mutual friend. When questioned about why a hard copy of the Adipex prescription was not scanned into ARKS and unable to be located at the pharmacy, Lindsey Miller had no explanation.

   d. Lindsey Miller admitted that if she provided a urine drug screen it would be positive for Adipex and possibly alcohol; she admitted she stole one of a family member’s prescription Adipex tablets.

INTRODUCTION

A Notice of Opportunity for Hearing/Notice of Intent to Deny Application for Medical Marijuana Dispensary License (Notice) was issued to Buckeye State Wellness LLC (Respondent) by the State of Ohio Board of Pharmacy (Board) on June 14, 2019. As of the thirtieth day after mailing pursuant to Section 119.07 of the Revised Code, the Board had not received a request for a hearing from Buckeye State Wellness, LLC. Accordingly, the matter was scheduled for an administrative hearing before the Board on November 6, 2019 pursuant to Goldman v. State Med. Bd. On November 8, 2019, the Board issued an Order denying Respondent’s application for a medical marijuana dispensary license and served Buckeye State Wellness LLC with the Order. Upon receipt of the November 8, 2019 Order, Buckeye State Wellness LLC informed the Board it requested a hearing on July 9, 2019, which the Board later verified. As a result, on January 8, 2020, the Board withdrew its previously issued Order dated November 8, 2019, and this matter was scheduled for an administrative hearing. Buckeye State Wellness LLC withdrew its request for hearing on July 16, 2020.

This matter came for consideration by the Board on August 4, 2020, before the following members of the State of Ohio Board of Pharmacy: Jennifer M. Rudell, RPh Presiding; Shawn C. Wilt, RPh; Megan E. Marchal, RPh; Donald R. Miller, RPh; Fred M. Weaver, RPh; Joshua M. Cox, RPh; Trina Buettner, RPh; Richard J. Newlon, Public Member; and Kilee S. Yarosh, RPh. As no hearing has been requested, the Board proceeds under the authority of Goldman v. State Med. Bd. of Ohio, 110 Ohio App.3d 124, 129 (10th Dist.1996).

BOARD REVIEW OF THE RECORD
The Board reviewed the entire administrative record in this matter prior to making its decision, which included the following items:

- State’s Exhibit A—Respondent's Hearing Notice
- State’s Exhibit B—Proof of service
- State’s Exhibit C—Respondent Score Sheet
- The Affidavit of Nicole Dehner
- The Affidavit of Erin Reed

FINDINGS OF FACT

After thorough review of the entire administrative record, the Board hereby confirms and approves the facts contained in the affidavits submitted by Nicole Dehner and Erin Reed.

Respondent was properly served and informed of its right to contest the denial of its application for a medical marijuana provisional dispensary license. No additional facts were presented to the Board on behalf of Respondent, because Respondent withdrew its request for hearing.

Under R.C. 3796.05 and Ohio Adm.Code 3796:6-2-05, the Board determined that it would issue up to sixty (60) medical marijuana provisional dispensary licenses for applications submitted between November 3, 2017 and November 17, 2017.

The State was split into thirty-one (31) separate districts. The maximum number of dispensaries in each district varied from one (1) to (5). The entities eligible to receive a medical marijuana provisional dispensary license were determined through a competitive application process. In accordance with R.C. 3796.10 and Ohio Adm.Code 3796:6-2-04(A) and 3796:6-2-01, the Board awarded provisional dispensary licenses based on the ranking of scores in each district.

Respondent timely applied to receive a medical marijuana provisional dispensary license to operate at the address identified in State’s Exhibit A. The address is located in the district number listed in the caption.

CONCLUSIONS OF LAW

The Board scored the applications consistent with the requirements of the Request for Applications, R.C. 3796.04 and Ohio Adm.Code 3796:6-2-04. Respondent does not qualify to receive a medical marijuana provisional dispensary license at the address listed in State's Exhibit A, because Respondent's score was not high enough to meet the minimum viability threshold of 138 out of 230 points.

DECISION OF THE BOARD
Based on the above information, Respondent’s application is hereby DENIED.

Ms. Marchal moved for the findings of fact, conclusions of law, and decision of the Board. Mr. Wilt seconded the motion. Motion passed (Aye-8/Nay-0) (Shawn C. Wilt, RPh-Aye; Megan E. Marchal, RPh-Aye; Donald R. Miller, RPh-Aye; Fred M. Weaver, RPh-Aye; Joshua M. Cox, RPh-Aye; Trina Buettner, RPh-Aye; Richard J. Newlon, Public Member-Aye; and Kilee S. Yarosh, RPh-Aye).

SO ORDERED.

BOARD REVIEW OF THE RECORD

The Board reviewed the entire administrative record in this matter prior to making its decision, which included the following items: State’s Exhibits numbered (1) through (8), Respondent’s Exhibits (A) through (H), the hearing

DECISION OF THE BOARD

After thorough review of the entire administrative record, the Board hereby adopts Hearing Examiner Shamansky’s Findings of Facts (1) and (11), including those that specifically relate to the Board’s Notice letter dated April 8, 2020.

The Board adopts Conclusions of Law (1), (2), and (3) as set forth by Hearing Examiner Shamansky.

The Board further modifies the Report and Recommendation to include the Board’s violations of law as set forth in the Notice of Hearing dated April 8, 2020, paragraphs:

(1) Theft of a dangerous drug, ORC Section 2913.02
(2) Possession of a Schedule II controlled substance, ORC Section 2925.11(A)
(3) Not of good habits; ORC Section 4729.90(B)(1)(c) and OAC Rule 4729:3-1-01(N)
(4)(b) Is addicted to or abusing alcohol or drugs or is impaired physically or mentally to such a degree as to render the individual unable to perform the individual’s duties, ORC Section 4729.96(A)(2)(c), as effective April 6, 2017
(4)(c) Engaged in any other conduct for which the board may impose discipline as set forth in rules adopted under section 4729.94 of the Revised Code, ORC Section 4729.96(A)(2)(g), as effective April 6, 2017

All violations of law are supported based on the evidence in the record. Specifically, Ms. Burrow’s admission that she had diverted pain medications for her own personal use from the pharmacy and stipulated to the factual allegations in the Notice. (R&R par. 15; Tr. At 10-11, 41-42; State’s Ex. 1). Ms. Burrow also admitted her conduct was that of an addict. (R&R par. 15; Tr. 41).

The Board adopts the Hearing Examiner’s Recommendation with modification. Pursuant to Section 4729.96 of the Ohio Revised Code and Rule 4729:3-4-01 of the Ohio Administrative Code, and after consideration of the record as a whole, the Board hereby adopts, with modification, the recommendation of the Hearing Examiner to remove the summary suspension and suspend indefinitely the pharmacy technician registration number 09-306751, held by Traci Burrow, and such suspension is effective as of the mailing of this Order.

Traci Burrow, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

Further, after two years from the effective date of this Order, the Board will consider any petition filed by Traci Burrow for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider
reinstatement of the pharmacy technician registration if the following conditions have been met:

1. Traci Burrow must maintain a current address with the Board throughout the duration of the suspension.

2. Traci Burrow must enter into and adhere to the terms of a **new** contract, signed within thirty days after the effective date of this Order, with a Board approved treatment monitor for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. Traci Burrow should also submit to the Board documentation demonstrating compliance with an Ohio Department of Mental Health and Addiction Services (ODMHAS) treatment provider, if applicable. Failure to adhere to the terms of the treatment contract and/or monitoring contract will be considered a violation of the Board’s Order and subject Traci Burrow to potential sanctions up to and including revocation of license. The monitoring contract must provide that:

   a. Random, **observed** urine drug screens shall be conducted at least once each month.

   b. The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

   c. Alcohol and Ethyl Glucoronide (ETG) must be added to the standard urine drug screen.

   d. Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

   e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of the Traci Burrow in a timeframe consistent with the drug lab’s recommended policy, but in any event no later than 12 days after the negative diluted screen.

   f. The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

   g. Attendance is required a minimum of three times per calendar week (Sunday through Saturday) on separate days, at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

   h. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.
3. Traci Burrow shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract with ODMHAS or a Board approved treatment monitor, the Board shall treat these results as a violation of the Board’s Order and request Traci Burrow reappear before the Board for possible additional sanctions, including and up to revocation of license.

4. Traci Burrow shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of suspension. The Board shall treat any such refusal as a violation of the Board’s Order and request Traci Burrow reappear before the Board for possible additional sanctions, including and up to revocation of license.

5. Traci Burrow must immediately report any violation of the terms of this suspension to the Board by contacting legal@pharmacy.ohio.gov. Failure to self-report any violation shall be treated as a violation of this Board’s Order and will subject Traci Burrow to possible additional sanctions, including and up to revocation of license.

6. Traci Burrow must demonstrate satisfactory proof to the Board that he is no longer addicted to or abusing liquor or drugs or impaired physically or mentally to such a degree as to render her unfit to practice pharmacy.

7. Traci Burrow must provide, in the reinstatement petition, documentation of the following:
   a. Compliance with the contract required above (e.g. proof of giving the sample within twelve hours of notification and copies of all drug and alcohol screen reports, meeting attendance records, treatment program reports, etc.); and
   b. Compliance with the terms of this Order.

8. Any reinstatement shall not occur until such time as any criminal intervention in lieu of conviction has been successfully completed.

9. Violation of any term of suspension, including but not limited to any violation of the contract signed with the ODMHAS or other approved treatment provider may result in additional action before the Board up to and including revocation of Traci Burrow’s pharmacy intern license.

10. Any violation of Chapters 2925., 3715., 3719., 4729., of the Ohio Revised Code, any administrative code violation or a violation of any other state or federal law will be considered a violation of this Order resulting in a hearing before the Board and may also result in criminal and/or administrative charges.
11. If Traci Burrow’s employment is related to the practice of pharmacy, Traci Burrow must notify employer of the terms of Traci Burrow’s suspension and this Board’s Order.

12. Failure to complete the terms set forth in this Board’s Order, or to petition for reinstatement within five years of the date of this Order, will result in the Board issuing a notice of opportunity for hearing to consider additional disciplinary action, including and up to revocation of Traci Burrow’s pharmacy technician registration.

Mr. Wilt moved to confirm and approve the Report and Recommendation of Hearing Examiner Shamansky with the modifications outlined above. Mr. Weaver seconded the motion. Motion passed (Aye - 8/Nay - 0).
