Reminder: Customer Reporting Requirements

[Rule 4729:6-3-05 of the Ohio Administrative Code](#) requires wholesale distributors of dangerous drugs, virtual wholesalers, manufacturers of dangerous drugs and outsourcing facilities to submit to the Board information on any customer or potential customer that may be engaging in possible activities that may cause reported drugs to be diverted from legitimate channels, including those to whom a drug distributor refuses to sell.

No later than **July 29, 2019**, a drug distributor must submit information on all Ohio customers the distributor has refused to sell to or has stopped selling to within the past three years because the distributor has identified the customer as engaging in possible activities that may cause reported drugs to be diverted from legitimate channels.

IMPORTANT: If a drug distributor has not refused to sell to or stopped selling to an Ohio customer within the past three years, it is not required to report anything by the July 29th deadline.
