*If you submit your info to UT, neither a hang tag nor a windshield permit is needed to park. Parking enforcement uses a scan gun on license plates to check if a vehicle is registered.*

- **If you do NOT submit your vehicle info to UT**, you can purchase a parking permit, which must be done on line at <http://guestparking.utoledo.edu>. There is a link near the bottom of the page "Click here for Guest Parking Help" which explains the procedure. There is a \$3 fee for a guest parking permit. If you do not submit your vehicle info to Janine, the only other way to obtain a parking permit is via the web. Again, there are no attendants at entrances.

**Where to park:**

**UT Main Campus Map (on back) – The Student Union Bldg. "SU" is in upper middle portion of map.**

Upon arrival, it is suggested you park in either the East Ramp Parking Garage (near area 2 - see "yellow" upper right corner of UT Main Campus Map) or another option is to park at the West Ramp Parking Garage (see "yellow" upper left of UT Main Campus Map) and adjoining parking lot (Area 13). It is a shorter walk to the Student Union. Parking areas 5, 6 and 10 are close to Student Union as well, but the bridge over the Ottawa River is under construction and will be closed to vehicle and pedestrian traffic. However, there is a pedestrian bridge by Carlson Library, which is close to the Student Union.
