Service Entity Attestation Form

Updated 9/16/2020

Per Ohio law and Board of Pharmacy rule, a service entity that is exempted from licensure may purchase naloxone from a wholesaler, drug distributor, or terminal distributor if the service entity attests in writing, which may include an electronic signature, that the person meets the licensing exemptions in section 4729.541 of the Revised Code on an annual basis. For more information on service entity exemptions for naloxone visit: www.pharmacy.ohio.gov/service.

> *"Service entity" is defined in law as a public or private entity that may provide services to or interact with individuals who there is reason to believe may be at risk of experiencing an opioid-related overdose. "Service entity" includes a church or other place of worship, college or university, school, library, health department operated by the board of health of a city or general health district, community addiction services provider, court, probation department, halfway house, prison, jail, community residential center, homeless shelter, or similar entity.*

To assist service entities in providing this documentation, the Board has developed this sample attestation form. Please be advised that this a suggested form and that the service entity may be required to submit different or additional documentation based upon the policies of the seller.
