

## Pharmacy Intern Authorization to Test Information

If you are checking on an application that you submitted, please be advised that if your payment has gone through, the application has been received in our office and we will contact you if any of the required information is missing.

If you are inquiring about your Authorization to Test, please be advised that the ATT cannot be issued until after your application has been processed, and you will receive an e-mail from the testing center once this occurs. We ask for your patience during this time, as we are working diligently to expedite a high volume of applications. Due to our current workload, please allow up to 72 business hours for a response to your inquiry. Thank you!
