BOARD OF PHARMACY

## Pharmacy Technician Reciprocity Guidance

**Updated 11/4/2022**

Effective April 1, 2022, OAC [4729:3-2-01](#) allows technicians registered in other states to reciprocate into Ohio. To qualify, applicants must have a pharmacy technician license or registration in another state and have actively worked as a pharmacy technician for at least one year within the previous three years prior to applying in Ohio.

**IMPORTANT:** Individuals holding technician trainee licenses in another state are not eligible for registration via reciprocity.

To apply for reciprocity, applicants must follow these steps:

1. Obtain an account with [eLicense Ohio](#) to apply for registration. More information on creating an account can be found [here](#).
2. In the application, answer the training question with the response of "I am licensed/registered as a technician in another state." Select the appropriate state and list the corresponding license or registration number.
3. In the Attachments section, follow the prompts to attach the following:
  - A copy of their out-of-state license or registration verification.
  - Technician reciprocity attestation form ([www.pharmacy.ohio.gov/TechRec](http://www.pharmacy.ohio.gov/TechRec))

Technician License/Registration Verification

Submit a copy of your technician license/verification you hold in another state. Verification may be an online verification and must be uploaded by the applicant, not the state board or agency.
