Specialists play a critical role in fulfilling the mission of the Board of Pharmacy by being actively involved in the progressive changes within the pharmacy profession. Specialists have the ability to work within an agency that is making positive strides to move the pharmacy profession to a new level of patient care as well as ensuring processes are in place to protect the public.

Qualifications for the position are:

- License to practice pharmacy as pharmacist as issued by State Board of Pharmacy pursuant to Sections 4729.01 to 4729.29 of the Ohio Revised Code;
- 5 years' experience as a registered pharmacist including 3 years of tertiary-level based hospital (ER, OR, ICU, Lab, etc.) experience involving sterile drug compounding, complex automated drug delivery systems, electronic record keeping systems and use of positive identification, or other comparable institutional facility or diversified specialty pharmacy experience; or
- Equivalent of Minimum Class Qualifications For Employment noted in the job posting.

The final candidate selected for this position is required to live in or relocate to Butler, Hamilton, or Warren county within 180 days from effective date of hire. If you are selected for the Pharmacy Compliance Specialist position, you will be required to complete a 16-week training. This training will take place in Columbus, Ohio and also in the field. Traveling to and from training will be required.
