**1) Temporary Authorization for the Use of Non-Ohio Licensed Pharmacy Personnel by Walgreens**

To mitigate any possible delays due to the closure of Ohio Rite Aid stores, the Ohio Board of Pharmacy hereby authorizes non-Ohio licensed pharmacy personnel employed by Walgreens licensed in other states to work in Ohio Walgreens or Rite Aid stores under certain conditions. This authorization is being issued in accordance with a Board resolution adopted on May 5, 2020.

For the purposes of this authorization, “non-Ohio licensed pharmacy personnel” means an individual who is licensed or registered as a pharmacist, pharmacy intern, or pharmacy technician in another state or jurisdiction, but who does not hold an active Ohio license or registration.

This authorization shall be in effect from the date it is signed by a representative of Walgreens and shall remain in effect until July 31, 2024, upon which all Walgreens pharmacists, pharmacy interns, and pharmacy technicians must be appropriately licensed in accordance with Chapter 4729. of the Revised Code.

Pharmacy personnel employed by Walgreens who are not licensed/registered in Ohio, but currently licensed and in good standing in another state, may practice pharmacy in this state under the following conditions:

**1.** Walgreens shall verify that all non-Ohio licensed personnel are in good standing prior to commencing work in this state. Verification may be done using the online licensing system of the state in which the pharmacy personnel were originally licensed or registered. If licensed/registered in multiple states, verification must be conducted in the state where the individual primarily practices.

**NOTE:** “In good standing” means the pharmacist does not have a license, registration or certificate limited, on probation, suspended, or revoked by any public agency or licensing agency. "State" means a state of the United States, the District of Columbia,

the Commonwealth of Puerto Rico or a territory or insular possession subject to the jurisdiction of the United States.

Verification documentation must be maintained by Walgreens for three years in a readily retrievable manner (i.e. must be produced for review no later than three business days to an agent, officer or inspector of the Board).

**2.** Walgreens acknowledges that any non-Ohio licensed pharmacy personnel shall be the responsibility of the terminal distributor of dangerous drugs that employs the personnel. Any violations of Ohio laws and rules by non-Ohio licensed pharmacy personnel shall be attributed to the pharmacy licensed as a terminal distributor of dangerous drugs.

**3.** Walgreens is responsible for training non-Ohio licensed pharmacy personnel to comply with the requirements of Ohio laws and rules governing the practice of pharmacy and the distribution of dangerous drugs.

**4.** A non-Ohio licensed pharmacy technician may only practice as a registered pharmacy technician, unless the technician holds a current certification from [NHA](#) (ExCPT) or [PTCB](#).

**5.** Walgreens must submit notification to the Board prior to the start of non-Ohio licensed pharmacy personnel starting work in Ohio. Notification must be submitted using the [Out of State Pharmacy Personnel Notification Form](#) (included with this authorization).

**IMPORTANT:** The notification form must be submitted in advance. Pharmacies that have identified potential personnel are encouraged to submit these individuals now rather than waiting until operational needs necessitate out-of-state personnel.

2. On or about June 11, 2024, the Board sent a Notice of Opportunity for Hearing to Brittany Foughty which outlined the allegations and provided notice of the right to a hearing, the rights in such hearing, and the right to submit contentions in writing.

WHEREFORE, the parties desire to resolve the issues relating to the above-referenced findings without resorting to further administrative proceedings.

#### **TERMS**

NOW WHEREFORE, in consideration of the mutual promises wherein expressed, the parties knowingly and voluntarily agree as follows:

2. Brittany Foughty neither admits nor denies the allegations stated in the Notice of Opportunity for Hearing letter dated June 11, 2024; however, the Board has evidence sufficient to sustain the allegations, finds them to violate Ohio's pharmacy law as set forth in the Notice, and hereby adjudicates the same.
3. Brittany Foughty agrees to undergo a substance use disorder evaluation to be conducted by a Board-approved evaluator.

If the evaluation finds no evidence of impairment and no treatment is recommended, then the Board agrees to grant Brittany Foughty a pharmacy technician trainee registration pursuant to license application APP-000789608.

If the evaluator recommends treatment, then Brittany Foughty's technician trainee registration pursuant to license application APP-000789608 shall be granted subject to a period of probation for one year beginning on the effective date of the registration. If Brittany Foughty applies for a registered or certified technician registration within one year from the effective date of the pharmacy technician trainee registration, the remainder of the probationary period, upon successful application, will transfer to Brittany Foughty's new technician registration. Probationary terms include the following conditions:

- A. Brittany Foughty must enter into and adhere to the terms of a contract, signed within thirty days after the date of the evaluation, with a Board approved treatment monitor for a period of one year and, upon signing, submit a copy of the contract to the Board office. Failure to adhere to the terms of the treatment contract and/or monitoring contract will be considered a violation of this Agreement and subject Brittany Foughty to potential sanctions up to and including revocation of registration. The monitoring contract must provide that:
  - a. Random, observed urine drug screens shall be conducted at least once each month.
  - b. The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.
  - c. Alcohol and Ethyl Glucuronide (ETG) must be added to the standard urine drug screen.
  - d. Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicate a violation of the contract.
  - e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of Brittany Foughty in a timeframe consistent with the drug lab's recommended policy, but in any event no later than 12 days after the negative diluted screen.

- f. Brittany Foughty must meet the daily check-in requirements of the testing center or check-in requirements as otherwise proscribed by the treatment monitor.
    - g. The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.
    - h. Attendance is required a minimum of three times per calendar week (Sunday through Saturday) on separate days, at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.
    - i. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.
  - B. Brittany Foughty shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract, the Board shall treat these results as a violation of this Agreement and request Brittany Foughty to appear before the Board for possible additional sanctions, including and up to revocation of registration.
  - C. Brittany Foughty shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of suspension. The Board shall treat any such refusal as a violation of the Board's Order and request Brittany Foughty to appear before the Board for possible additional sanctions, including and up to revocation of license.
4. Brittany Foughty agrees to pay all reasonable costs associated with the collection of any payment, and of the prosecution of any violation of this Agreement.
5. Brittany Foughty understands that she has the right to be represented by counsel for review and execution of this agreement.
6. Brittany Foughty agrees and acknowledges that Board disciplinary action must be disclosed to the proper licensing authority of any state or jurisdiction in which she currently holds a professional license, including to the Board on renewal applications or applications for a new license.
7. Brittany Foughty waives an opportunity to be heard pursuant to Chapter 119. of the Ohio Revised Code and specifically withdraws her request for a hearing in this matter and waives any right to an appeal.

8. This Agreement may be executed in counterparts or facsimiles, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.
