Further, after twelve months from the effective date of the Summary Suspension, the Board will consider any petition filed by Paul Samenuk for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. resulted from medication legitimately prescribed, indicates a violation of the contract.

- e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of the Paul Samenuk in a timeframe consistent with the drug lab's recommended policy, but in any event no later than 12 days after the negative diluted screen.

 - i. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.
3. Paul Samenuk shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract with ODMHAS, the Board shall treat these results as a violation of the Board's Order and request Paul Samenuk reappear before the Board for possible additional sanctions, including and up to revocation of license.
 4. Paul Samenuk shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of suspension. The Board shall treat any such refusal as a violation of the Board's Order and request Paul Samenuk reappear before the Board for possible additional sanctions, including and up to revocation of license.
 5. Paul Samenuk must immediately report any violation of the terms of this suspension to the Board by contacting legal@pharmacy.ohio.gov. Periods of departure or absence shall not change the probationary term, unless otherwise determined by motion of the board or the board's probation committee. For absences of three months or longer, the board or its probation committee may toll the length of suspension, other than in instances where the board or its probation committee can be assured that monitoring is otherwise being performed.

12. Violation of any term of suspension, including but not limited to any violation of the contract signed with the treatment monitor and/or ODMHAS or other approved treatment provider may result in additional action before the Board up to and including revocation of your pharmacy license.
13. Any violation of Chapters 2925., 3715., 3719., 4729., of the Ohio Revised Code, any administrative code violation or a violation of any other state, federal, or local law will be considered a violation of this Order resulting in a hearing before the Board and may also result in criminal and/or administrative charges.
