Reporting of MOUD to OARRS by Hospitals Under the EASY MAT Act

Adopted: 3/7/23

To allow for the swift implementation of the EASY MAT Act, which allows a practitioner to administer up to a three-day supply of narcotic drugs to an individual at one time for purposes of relieving acute withdrawal symptoms while the individual awaits arrangements for narcotic treatment, the Ohio Board of Pharmacy hereby temporarily waives the reporting requirements under 4729.77 and 4729.79 of the Ohio Revised Code. This resolution shall only apply to hospitals that provide MOUD in accordance with EASY MAT Act.
