

Board Approved Immunization Courses

Updated 6/24/2019

The Board has recently updated its policy on the approval of immunization courses that no longer requires courses to receive prior approval from the Board.

Board Resolution: Approval of Immunization Courses

Approved 11/14/2017

The Board hereby approves all immunization coursework that meets the requirements set forth in rule 4729-5-36 of the Ohio Administrative Code and waives the submission process set forth in paragraph (B) of the rule. However, the Board does reserve the right to revoke this approval status.

Any coursework requested for review by the Board must be submitted with ten days of the receipt of a written request. Failure to do so, will result in the immediate revocation the course's approval status.

While the Board no longer requires prior approval of immunization courses, the following is a list of previously approved courses:

- OPA - Ohio Pharmacist Association
- APhA - American Pharmacist Association
- Giant Eagle
- Kroger Cincinnati/Dayton Division
- Kroger Great Lakes Division
- Kroger Columbus Division
- Collaborative Education Institute
- Iowa Pharmacist Association

- Meijer
- University of Toledo (offered to students)
- University of Cincinnati (offered to students and RPhs)

- The following Ohio colleges of pharmacy use either the APhA or OPA course:
 - Cedarville University - APhA
 - Ohio Northern University - APhA
 - Ohio State University - APhA (offered to students and RPhs)
 - North Eastern Ohio University College of Pharmacy - APhA
 - University of Findlay - OPA
