PROBATION COMMITTEE ORDER

On October 10, 2023, Brian K. Alfredo, Pharm.D., appeared before the Probation Committee to request authorization for the issuance of his pharmacist license pursuant to his Settlement Agreement with the Ohio Board of Pharmacy entered on June 9, 2020. The Probation Committee determined that Mr. Alfredo had substantially complied with the terms of the Board's December 17, 2019 Board Order and authorized the issuance of Mr. Alfredo's pharmacist license on a probationary status. Specifically, the Probation Committee directed Mr. Alfredo to complete the remaining three years of probation and comply with all terms of the December 17, 2019 Board Order. However, because Mr. Alfredo entered into a contract with Pharmacists Rehabilitation Organization, Inc. on September 20, 2021, he is not required to enter into a new monitoring agreement.
